The Professional School Administrator:

...constantly upholds the honor and dignity of his/her profession in all his/her actions and relations with pupils, colleagues, board members, and the public.

...obeys local, state and federal laws; holds himself/herself to high ethical and moral standards, and gives loyalty to his country and to the cause of democracy and liberty.

...accepts the responsibility throughout his/her career to master and to contribute to the growing body of specialized knowledge, concepts, and skills which characterize school administration as a profession.

...assumes a leadership role in initiating and articulating the educational goals and programs of the School District in order that it may provide the finest possible experiences and opportunities for all.

...entering into contractual agreements seeks to preserve and enhance the prestige and status of his/her profession.

...carries out in good faith all policies duly adopted by the Board and the rules of state authorities and renders professional service to the best of his/her ability.

...honors the public trust of his/her position above any economic or social rewards.

...does not permit considerations of private gain nor personal economic interest to affect the discharge of his/her professional responsibilities.

...recognizes that the public schools are the public's business and seeks to keep the public fully and honestly informed about their schools.

High standards of ethical behavior for the professional School Administrator are essential and are compatible with his/her faith in the power of public education and his/her commitment to leadership in the preservation and strengthening of the public schools.
