

Dear Forensics Families,

We will have the same dates for our meets as was stated in the original note sent home, however one of the locations has changed. We were unable to register for the Kettle Moraine Middle School meet in Delafield, but we were able to register for the Badger Middle School Meet in West Bend held on the same day and at the same time. As of yet, we are yet to confirm a meet for the March 8th date.

Here is the CONFIRMED schedule as of January 17, 2012:

Feb 3: Silverbrook Middle School

120 N. Silverbrook
West Bend, WI 53095

Feb 10: Badger Middle School

727 S. 6th Ave
West Bend, WI 53095

Feb 17: Longfellow Middle School

7600 W. North Ave.
Wauwatosa, WI 53213

Feb 24: Pilgrim Park Middle School

1500 Pilgrim Pkwy.
Elm Grove, WI 53122

March 2: Silver Lake Middle School

555 Oconomowoc Parkway
Oconomowoc, WI 53066

In answering questions I'm receiving lately, I'm sorry but parents are not allowed to watch their children perform at the meets.

You are, however, allowed to pick up your child from the meet if you so desire. If you decide to do this, you MUST sign your child out with Ms. DeRosa. The meets will be held at the above addresses. You should communicate with your child via cell phone to determine the time for pick up as we can never foresee the exact pick-up time.

We will have a Forensics Room during the weekend of the Fun Fair, in which you may watch your child perform their piece then. And, we may still have an Erin Intrasquad meet, which is not yet confirmed.

The t-shirt orders have been placed. We will hopefully get them before our first meet.

There are some students who have not been coming in to see their coach on a regular basis. Please check in with your children to see if their piece is coming along. It never hurts to hear the reminders from another direction.

Thank-you and more information soon,
Cheryl Johrendt
