

Welcome to the 6th grade volleyball team!

I, Michelle Hahn, will be coaching the 6th grade team this year, and I am very excited to be your son's coach this season! I am one of the 3rd grade teachers here at Erin. I have played volleyball for many years and have experience coaching club teams. I have been coaching volleyball at Erin School since 2014. I have coached both boy's and girls' volleyball and almost all of the grade levels for each. I look forward to sharing my passion for the sport with your son and watching him grow both as a volleyball player and as an individual! It is my goal to help your son to improve his volleyball skills, work as a member of a team, develop into a leader in his own way, and have fun while playing the sport of volleyball!

Please take a moment and go over the team rules and season expectations with your son. We will also review them on the first day of practice, and throughout the season.

Team Rules:

1. Be ready to play at the start of practice (Shoes and Kneepads on before the start time of practice)
2. Have a good attitude and be willing to learn and try new things
3. Be a team player, volleyball is a true team sport and we all have to work together to succeed!
4. ALWAYS show good sportsmanship
5. Always hustle and never give up!
6. Have Fun!!!!

*If rules are not being followed, parents will be notified. If the actions continue, a conference with player, coach, and parent will occur to resolve the issue. Playing time will be reduced if rules are not being followed.

Season Expectations:

*Playing time may not be equal, but every boy will have a chance to play in at least one game in every match (each match will have 3 games).

*We may not win every game, but we will IMPROVE every game. Throughout the season we will set goals as a team and as individuals.

*If you are not able to make it to practice or a game, please call or email me as soon as possible, so I can plan accordingly.

*Game nights consist of 2 matches (3 games each). See team calendar for game and practice dates and times.

*If an issue arises during a match, please contact me about it the following day or following practice. Immediately following our game is not an appropriate time to voice your concerns.

You can contact me at:

hahn@erinschool.org or 262-673-3720 ex. 4123 (school phone) or 262-224-9285 (cell)

Please be read my email careful as there are two Hahn's at our school. I have an "m" after hahn.

I look forward to a GREAT season!
