Greetings Players,

My name is Deb Hack. You were supposed to meet me last season but a certain world event prevented that from happening. So onward we go. Just a little bit about me so I can refresh your memory. I had the opportunity to coach volleyball for both of my younger sons at Erin school. I have played volleyball since college and continue to do so. I have played on a variety of teams and skill levels as well as indoor and outdoor. I have played on winning teams and losing teams. So I know how it feels either way.

My goals are to teach you the skills you need to be good at playing volleyball, how to support your fellow players, how to play as a team as it is a team sport, and to have a positive outlook. I am so looking forward to this season and coaching volleyball. Teaching young people the skills they need to be successful can be challenging and extremely fun. I like to have fun so.... Wait and see.

My expectations are:

- * You come ready to play which means dress appropriately and correct shoes,
- * Make sure you have your uniform on game days
- * Are on time
- * You let me know if you are not going to make it or will be late to either practice or games. We only have 7 players so this is critical. My cell is 414-254-6099
- * You know what the practice and game schedules are
- * To have a lot of fun.

Parents, if you need something or want to share please do so. My cell is 414-254-6099.
