

Hello,

I would like to take this time to introduce myself to you. I am Terry Wick, I will be the 8<sup>th</sup> grade boys volleyball coach this year. I have been a volleyball coach for more than 20 years, including for the 6<sup>th</sup>/7<sup>th</sup> grade girls team and the boy's 7<sup>th</sup>/8<sup>th</sup> grade coach at Erin. Some of my experience includes; Hartford High School Varsity girls coach from '02 – '10, and various boys club teams . I have also been the Hartford Union HS boys coach for the past 4 years. I am very excited for that opportunity as well as this season for the boys.

My goal is to continue to develop the basics and fundamentals of volleyball in your sons. I will also be teaching them a specific offense to further their knowledge of the game. It will require a lot of learning on their part and patience on yours and mine as the boys will struggle with various movements and new demands. However, this is the next step in their learning of the great game of volleyball. I want them to understand the game and have a lot of fun.

If for any reason your son is not able to make a practice or game, please text or call me so I am able to prepare my practices and games accordingly. I will be using the REMIND system again this year to be able to send out messages to the boys and to you. You will get the same messages if you decide to sign up on this system.

I look forward to a fun season with your sons!
