Dear Erin 2022-2023 5th – 8th grade parents,

Another school year passes! I hope your family has survived it in all respects. I hope you and your child(ren) had a great school year. I'd like to thank all of you for your support and positive encouragement toward our athletes and coaches at Erin School again this year. Athletics provide so many life lessons to each of us. It is those lessons that make this role enjoyable. I want to do the best job I can to facilitate a successful and enjoyable athletic experience for your child here at Erin. Making things easy for you as parents is part of that goal. In that spirit, I have included dates of next year's athletics in this letter. For the upcoming school year there are only **2** pieces of paperwork you need to fill out to have your child eligible for basketball (grades 5-8 and / or volleyball (grades 6-8). They are 1) a full page Eligibility & Physical form and 2) a separate Concussion form. These forms grant permission for your child to play and has the medical / emergency contact information. You will still need to visit the doctor every other year (and should do so ASAP to avoid the August rush). This form is for both the physical or alternate year card, it's all the same, just every other year it will or won't have the doctor's signature, but **ALL OTHER INFORMATION MUST BE FILLED OUT COMPLETELY!** These forms will be available in the office, on the website, and emailed to you and must be completed and returned by **September 16th!**

**ALL ATHLETIC PARTICIPANTS MUST HAVE
THESE TWO FORMS TURNED IN EVERY YEAR!**

***** Your child MUST sign up with me by the basketball and volleyball deadlines – this is to confirm their participation and numbers. All students will be asked in class at least twice prior to the deadlines. This is the only way they sign up.*****
